DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The response filed 6-1-2010 has been carefully considered. The corrected drawings filed are accepted by the examiner. The petitions to add David E. Lecocq as an inventor and delete Patricia Ruzakowski Athey as an inventor are granted. The new declaration and power of attorney for patent application filed is accepted by the examiner. All requirements set forth in the Notice of Allowability mailed 3-3-2010 have been met.

In view of the papers filed 6-1-2010, it has been found that this nonprovisional application, as filed, through error and without deceptive intent, improperly set forth the inventorship, and accordingly, this application has been corrected in compliance with 37 CFR 1.48(a). The inventorship of this application has been changed by addition of David E. Lecocq and deletion of Patricia Ruzakowski Athey.

The application will be forwarded to the Office of Initial Patent Examination (OIPE) for issuance of a corrected filing receipt, and correction of Office records to reflect the inventorship as corrected.
